RE: NOTICE OF ROADWAY CLOSURE

Central College and Jug Street between US-62 and Beech Road

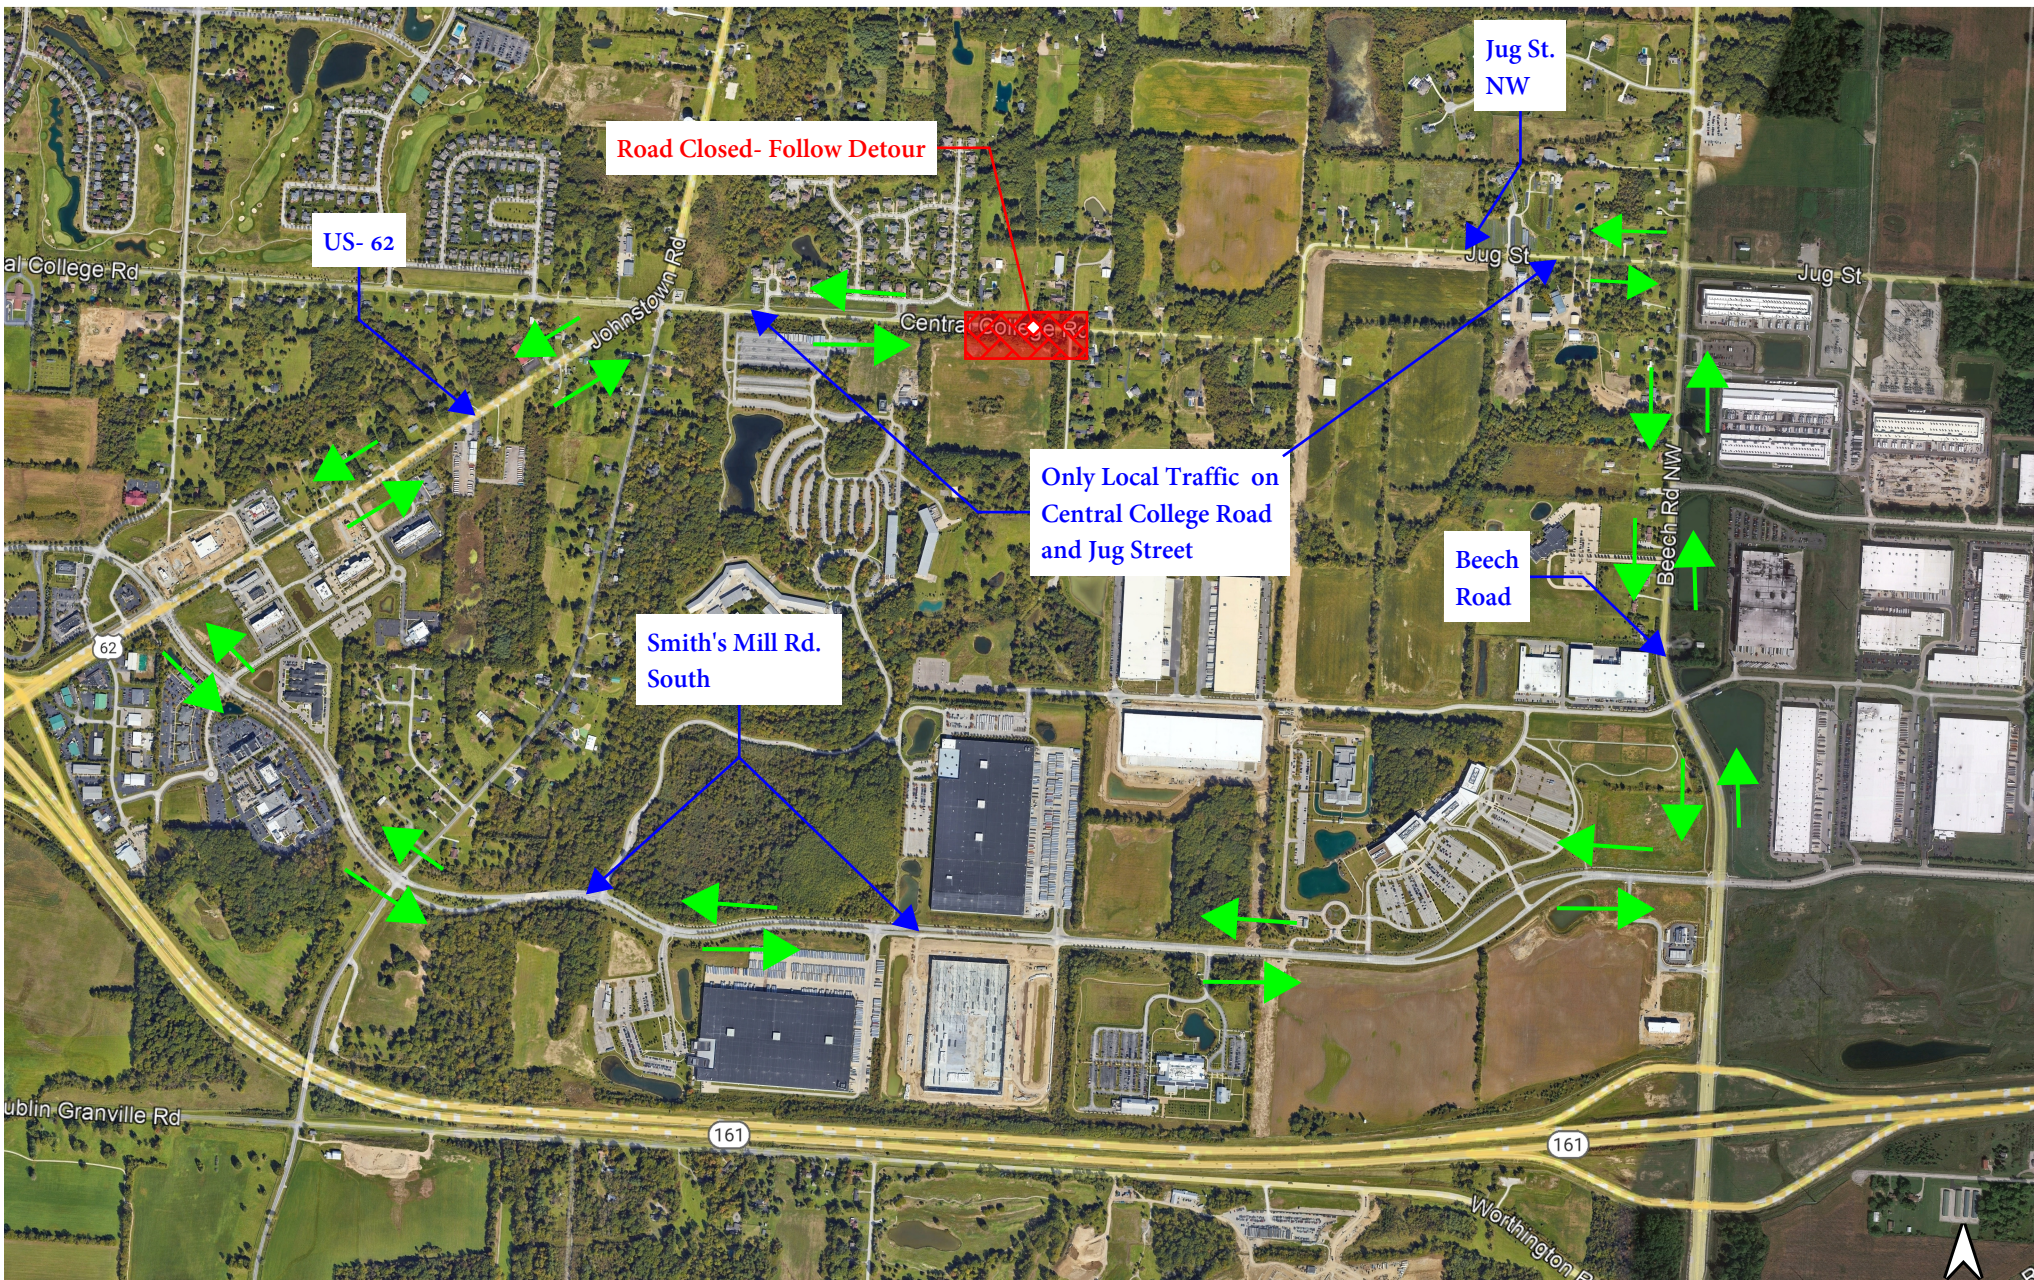

Dear Resident,

Starting from March 11, 2024, a portion of Central College and Jug Street between US-62 and Beech Road will be closed to through traffic for three weeks to facilitate the installation of water main infrastructure for the 2023 Water Distribution System Improvements project. Residents living within this corridor will have access maintained to their properties at all times. Additionally, mail service, trash pick-up, and delivery personnel will be granted access to this restricted area. Please see the attached exhibit depicting the closure. Appropriate detour signing will be posted to assist with navigating the areas around the closure.

PRIME Construction Management and Survey (PRIME CMS) will be performing project administration on behalf of the City of New Albany. The contractor for the project will be Elite Excavating. I've provided my contact information below which can be used as both a general and emergency contact. Feel free to reach out with any and all questions or concerns. For more information, please visit the City of New Albany's website at NewAlbanySiliconHeartland.com.
